8
9 SYMANTEC CORPORATION, No. C 12-0700 SI
10 Plaintiff, **ORDER RE: DISCOVERY DISPUTES**
11 v.
12 VEEAM SOFTWARE CORPORATION,
13 Defendant.

14
15 On May 16, 2014, plaintiff filed a discovery letter requesting a discovery teleconference, so that
16 the parties could resolve seven discovery disputes. Docket No. 199. The Court held the requested
17 discovery teleconference on May 22, 2014. In accordance with the matters discussed at the discovery
18 teleconference, the Court ORDERS as follows:

19 Issue 1: Symantec's request for further responses is denied.
20 Issue 2: Symantec's request for a further response is denied.
21 Issue 3: Symantec is granted leave to serve an additional 30 document-only third-party
22 subpoenas under Rule 45. Symantec must provide Veeam with 7-days notice of
23 the subpoena prior to serving any third-party document subpoenas.
24 Issue 4: Veeam must provide a further production on testing and direct contact materials
25 by **May 27, 2014**. In addition, with respect to the videos, Veeam must provide
26 Symantec with information disclosing the date each video was filmed and
27 whether the filming location was in the United States by **May 27, 2014**.
28 Issue 5: Veeam must complete its document production by **May 30, 2014**.

1 Issue 6: Veeam will check if a database containing its customer email and telephone
2 information exists by the end of today, **May 22, 2014**, and will produce such a
3 database if it exists.

4 Issue 7: The parties are ordered to meet and confer with respect to this issue.

5 This Order resolves Docket Nos. 201, 202.
